Buyers from throughout the continent crowd the sale ring at the Kentucky National. Will you be among them on March 14?

From The Sale Manager --

Historically the Kentucky National Shorthorn and Polled Shorthorn Show and Sale is one of the leading consignment sales of the spring season. The reasons for its eminent success are numerous.

Harris Simons

★ The grand support of the Kentucky Department of Agriculture both financially and in the arrangement of many details helps to draw cattlemen of the first rank from throughout the country.

★ Premiums in excess of \$9,000 from the Kentucky Department of Agriculture and the Kentucky Shorthorn Ass'n. assure that leading breeders will bring only their very best.

★ The facilities at the Kentucky State Fairgrounds are among the country's best. This year's auction will be held in the new \$250,000 Newmarket Hall sale arena.

★ The hospitality of the Kentucky breeders is unmatched. They do everything possible to insure a pleasant visit for all. These are farsighted men and women who work long and hard for the expansion of the breed in their own state and on a national basis.

★ And don't forget the cattle themselves. Over the years some of the nation's leading stock bulls and fanciest foundation females have sold in this sale. With so much to recommend it, the Kentucky National is one sale you'll not want to miss. We look forward to seeing you there.

J H ROYAL BENEFactor — This rugged grandson of the great Glamis Benefactor has a pedigree and conformation to match. Where else could you combine four of the world's all-time great Shorthorn bulls into one herd sire. This muscled calf shows enormous potential. GLATWYN RETURN x — Out of a AAA cow that is one of our very top producers. He's sired by a most successful show bull that was reserve grand champion at the Kentucky State Fair and many others. He is now in heavy service and siring really great calves for Dick Braman and Bilmar Farms in Michigan. This is a big, sound, long, muscular calf that just averaged 3.6 pounds average daily gain for the past 90 days. I can recommend this calf as an improver, dehorner and a little outcross for most cattle. Herd accredited and certified.

JOIN THE NATION IN A KENTUCKY VACATION

Kentucky, the center of the nation's pasture belt, offers purebred dairy cattle breeders one of the most unique and effective state supported promotional events recently developed. By providing financial assistance for each of the major breeds, the Commonwealth vividly demonstrates its appreciation for the purebred cattle industry and the contribution it makes to the state and nation. Buyers and sellers of purebred dairy cattle and others who fully appreciate outstanding livestock should find it pleasing and convenient to meet in the Bluegrass State at these annual breed events. Kentucky enjoys a wide reputation as a progressive livestock state due to her rich limestone soil, the wide expanse of nutritious bluegrass pastures, skilled breeders, mild climates, and moderate rainfall. Some of the earliest advances in livestock production and marketing had their origin in this state.

ROSALIE'S BONNIE — 1969 Illinois State Fair junior show champion. This dark red heifer won her class eight out of ten times last summer in Illinois. She was champion Shorthorn female seven times and reserve once. These facts tell how good a heifer she is as she was never shown twice under the same judge. Sired by Brown-Forman Bank Asset that also sired our 1968 Illinois junior champion female, and out of a good Augusta cow, a granddaughter of Louada Principal. This female could improve any herd and she should produce the kind of cattle we are needing today. Sells open.
